BADMINTON CLUB

Joining the Badminton Club offers students a fun, supportive environment to develop their skills, whether they're beginners or seasoned players.

Beyond improving their game, members build lasting friendships and a sense of community through regular practices, friendly competition, and team events.

GAME DESIGN AND E SPORTS

The Game Design and eSports Club provides students with a creative space to explore game development while competing in exciting eSports tournaments. It's a perfect blend of teamwork, strategy, and creativity, where members can develop their skills in both game design and competitive gaming, all while bonding over a shared passion for gaming.
